## ABOUT ME

I'm a Computer Science student at UDELAR with strong web development skills. I excelled in JavaScript and React during an intensive Full Stack program. I'm passionate about technology and problem-solving. I'm currently working in the technology sector, combining technical knowledge with customer service.

## WORK EXPERIENCE

### Academic Tutor - Faculty of Engineering (UDELAR)

July 2024- November 2024

- Assisted students in Single Variable Calculus.
- Developed study guides and provided technical support.
- Encouraged critical thinking and independent learning.

### Seller - Caribe Sur (Technology Store)

June 2025 - Current

- Advised customers on tech products and solutions.
- Managed sales transactions and provided after-sales support.
- Strengthened communication and problem-solving skills in a fast-paced retail environment.
